PATENT

Application No.: 10/766,551

Filed: January 24, 2004

Applicants: Gregory C. Jensen et al.,

Title: ELECTRONIC TRANSACTION VERIFICATION SYSTEM

Confirmation No.: 3110

Cincinnati, Ohio 45202

Date: September 1, 2006

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the duty of candor and good faith imposed by 37 C.F.R. § 1.56 and means of complying therewith according to 37 C.F.R. §§ 1.97 and 1.98, Applicants herewith bring to the attention of the Office the information set out in the three concurrently electronically filed PTO Fillable Forms PTO/SB/08a (08-03). Copies of the non-U.S. Patent documents cited in the IDS (namely, a German Patent document, a European patent document and 122 non-patent literature documents of the 149 listed in the three above-mentioned fillable forms) are being submitted concurrently herewith, which may include separate uploads due to the volume. The German Patent is a non-English language reference, and therefore an Abstract printed from espacenet.com is attached to the reference in order to comply with § 1.98(a)(3)(ii).

This case is related to U.S. Patent No. 6,618,806 (Application No. 09/437,779), which was recently involved in a now concluded litigation. During the course of the litigation, numerous items of alleged relevance were cited. Some of the references were identified, but were not actually provided.

Efforts to locate some of them have been unsuccessful. The references for which no copy is provided include cite numbers 42, 43, and 48 of the first PTO Fillable Form PTO/SB/08a (08-03), cite number 23 of the second PTO Fillable Form PTO/SB/08a (08-03), and cite numbers 20, 21, 24-30, 32, 34-36, 38 and 40-48 of the third PTO Fillable Form PTO/SB/08a (08-03). The Examiner will note that on the third PTO Fillable Form PTO/SB/08a (08-03), cite numbers 17-23 are references for allegedly publicly distributed product manuals and cite numbers 24-48 are references for products allegedly offered for sale.

No admission is made that the cited references are prior art and/or material to patentability. The Examiner is urged to consider the references cited in the concurrently filed Form PTO/SB/08a (08-03), and to make an independent decision with respect to the materiality of each.

This Information Disclosure Statement is being filed prior to the receipt of a first Office Action on the Merits of the case, and therefore no fees are believed to be due. However, if any additional fees are necessary to complete this communication, please apply them to Deposit Account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
